

384.95 Definitions.

As used in this division, unless the context clearly indicates otherwise:

1. "*Public improvement*" means any building or construction work, either within or outside the corporate limits of a city, to be paid for in whole or in part by the use of funds of the city, regardless of sources, including a building or improvement constructed or operated jointly with any other public or private agency, but excluding urban renewal demolition and low-rent housing projects, industrial aid projects authorized under chapter 419, emergency work or work performed by employees of a city or a city utility.
2. "*Governing body*" means the council of a city, a utility board of trustees or an administrative agency which is charged with the management and control of a building or improvement project.
