

423E.3 Collection of tax.

1. If a majority of those voting on the question of imposition of a local sales and services tax for school infrastructure purposes favors imposition of the tax, the tax shall be imposed by the county board of supervisors within the county pursuant to section 423E.2, at the rate specified for the period provided in section 423E.1, subsection 2, on the sales price taxed by the state under chapter 423, subchapter II.
2. The tax shall be imposed on the same basis as the state sales and services tax or in the case of the use of natural gas, natural gas service, electricity, or electric service on the same basis as the state use tax and shall not be imposed on the sale of any property or on any service not taxed by the state, except the tax shall not be imposed on the sales price from the sale of motor fuel or special fuel as defined in chapter 452A which is consumed for highway use or in watercraft or aircraft if the fuel tax is paid on the transaction and a refund has not or will not be allowed, on the sales price from the sale of equipment by the state department of transportation, and except the tax shall not be imposed on the sales price from the sale or use of natural gas, natural gas service, electricity, or electric service in a city or county where the sales price from the sale of natural gas or electric energy is subject to a franchise fee or user fee during the period the franchise or user fee is imposed.
3. The tax is applicable to transactions within the county where it is imposed and shall be collected by all persons required to collect state sales or local excise taxes. The amount of the sale, for purposes of determining the amount of the tax, does not include the amount of any state sales taxes or excise taxes or other local option sales or excise taxes. A tax permit other than the state tax permit required under section 423.36 shall not be required by local authorities.
4. The director of revenue shall credit tax receipts and interest and penalties from the local sales and services tax for school infrastructure purposes to an account within the secure an advanced vision for education fund, as provided in section 423E.4, maintained in the name of the school district or school districts located within the county. If the director is unable to determine from which county any of the receipts were collected, those receipts shall be allocated among the possible counties based on allocation rules adopted by the director.
5.
 - a. The director of revenue by August 15 of each fiscal year shall send to each school district where the tax is imposed an estimate of the amount of tax moneys each school district will receive for the year and for each month of the year. At the end of each month, the director may revise the estimates for the year and remaining months.
 - b. The director shall remit ninety-five percent of the estimated tax receipts for the school district to the school district on or before August 31 of the fiscal year and on or before the last day of each following month.
 - c. The director shall remit a final payment of the remainder of tax moneys due for the fiscal year before November 10 of the next fiscal year. If an overpayment has resulted during the previous fiscal year, the November payment shall be adjusted to reflect any overpayment.
 - d.
 - (1) If more than one school district, or a portion of a school district, is located within the county, tax receipts shall be remitted to each school district or portion of a school district in which the county tax is imposed in a pro rata share based upon the ratio which the actual enrollment for the school district that attends school in the county bears to the total combined actual enrollments for all school districts that attend school in the county.
 - (2) The combined actual enrollment for a county, for purposes of this section, shall be determined for each county by the department of management based on the actual enrollment figures reported by October 1 to the department of management by the department of education pursuant to section 257.6, subsection 1. The

combined actual enrollment count shall be forwarded to the director of revenue by March 1, annually, for purposes of supplying estimated tax payment figures and making estimated tax payments pursuant to this section for the following fiscal year.

e. Notwithstanding the amount of tax receipts credited to the account within the secure an advanced vision for education fund maintained in the name of a school district, the amount of tax receipts the school district shall receive from the tax imposed in the county shall be determined as provided in section 423E.4, subsection 2.

6. The local sales and services tax for school infrastructure purposes shall be administered as provided in section 423B.6.

7. Construction contractors may make application to the department for a refund of the additional local sales and services tax paid under this chapter by reason of taxes paid on goods, wares, or merchandise under the conditions specified in section 423B.8. The refund shall be paid by the department from the appropriate school district's account in the secure an advanced vision for education fund. The penalty provisions contained in section 423B.8, subsection 3, shall apply regarding an erroneous application for refund of local sales and services tax paid under this chapter.
