

455B.211 Definitions.

When used in this part 2 of division III, unless the context otherwise requires:

1. "*Certificate*" means the certificate of competence issued by the director stating that the operator has met the requirements for the specified operator classification of the certification program.
2. "*Operator*" means a person who has direct responsibility for the operation of a water treatment plant, water distribution system, or waste water treatment plant.
3. "*Water distribution system*" means that portion of the water supply system in which water is conveyed from the water treatment plant or other supply point to the premises of the consumer.
4. "*Water supply system*" means the system of pipes, structures, and facilities through which a public water supply is obtained, treated and sold or distributed for human consumption or household use.
5. "*Water treatment plant*" means that portion of the water supply system which in some way alters the physical, chemical, or bacteriological quality of the water.
6. "*Waste water treatment plant*" means the facility or group of units used for the treatment of waste water from public sewer systems and for the reduction and handling of solids removed from such wastes.
