

468.624 Drainage plat book.

The county recorder shall be provided with a loose-leaf plat book, made to scale, for each section of the land within the county in which such records shall be made. Such plat book shall consist of sheets of paper interbound by sheets of tracing cloth with proper heading, margin, and binding edge. Said plat book shall be used for keeping a record of drainage systems filed by any landowner. Plats so offered for record shall be drawn to scale on paper measuring eight and one-half by eleven inches, giving distances in feet and indicating the size of tile used, length and location of tile lines as installed with reference to government corners and subdivisions.
