48A.5 Voter qualifications.

1. An eligible elector wishing to vote in elections in Iowa shall register to vote as required by this chapter.
2. To be qualified to register to vote an eligible elector shall:
 - a. Be a citizen of the United States.
 - b. Be an Iowa resident. A person's residence, for voting purposes only, is the place which the person declares is the person's home with the intent to remain there permanently or for a definite, or indefinite or indeterminable length of time. A person who is homeless or has no established residence may declare residence in a precinct by describing on the voter registration form a place to which the person often returns.
 - c. Be at least eighteen years of age. Completed registration forms shall be accepted from registrants who are at least seventeen and a half years of age; however, the registration shall not be effective until the registrant reaches the age of eighteen.
 - d. Not claim the right to vote in more than one place. A registrant shall be presumed to revoke any earlier claim of residence for voter registration purposes.
3. If a person who meets the requirements set forth in subsection 2 moves to a new residence, either in Iowa or outside Iowa, and does not meet the voter requirements at the person's new residence, the person may vote at the person's former precinct in Iowa until the person meets the voter requirements of the person's new residence. However, a person who has moved to a new residence and fails to register to vote at the person's new residence after becoming eligible to do so shall not be entitled to vote at the person's former precinct in Iowa.
4. A citizen of the United States who lives outside of the United States has the right to register and vote as if the person were a resident of a precinct in Iowa if the citizen was an eligible elector of Iowa immediately before leaving the United States. A citizen who was not old enough to register to vote before leaving the United States but who met all of the other requirements for voter registration at that time also has the right to register and vote as if the person were a resident of a precinct in Iowa. This right applies even though while living outside the United States the citizen does not have a residence or other address in the precinct, and the citizen has not determined whether to return to Iowa. To qualify to vote in Iowa a United States citizen living outside the United States shall:
 - a. Comply with all applicable requirements of sections 53.37 to 53.53 relating to absentee ballots for members of the armed forces and other citizens living outside the United States.
 - b. Not maintain a residence, shall not be registered to vote, and shall not vote in any other state, territory, or possession of the United States.
 - c. Possess a valid passport or identity card and registration issued under authority of the United States secretary of state, or, if the citizen does not possess a valid passport or card of identity or registration, an alternative form of identification consistent with the provisions of applicable federal and state requirements.

5. If a United States citizen living outside the United States meets the requirements for voting, except for residence, has never lived in the United States, and has a parent who meets the definition of a member of the armed forces of the United States under section 53.37, the citizen is eligible to register to vote and vote at the same voting residence claimed by the citizen's parent.

6. The deadlines for voter registration shall not apply to a person who has been discharged from military service within thirty days preceding the date of an election. The person shall present to the precinct election official a copy of the person's discharge papers. The person shall complete a voter registration form and give it to the official before being permitted to vote.

94 Acts, ch 1169, §5

3. A person does not lose residence if the person leaves the person's home to reside temporarily in another state or precinct.
4. If a person goes to another state or precinct and files an affidavit of residence in that state or precinct for election purposes, the person loses residence in the former state or precinct, unless the person moved to the other state after that state's deadline for registering to vote in a particular election.
5. A student who resides at or near the school the student attends, but who is also able to claim a residence at another location under the provisions of this section, may choose either location as the student's residence for voter registration and voting purposes.
6. If an active member of the United States armed forces, as defined by section 53.37, has previously resided at a location that meets the requirements of this section, that person may claim either that previous residence or the person's current residence as the person's residence for voter registration and voting purposes.
7. Notwithstanding subsections 1 through 6, the residence of a homeless person is in the precinct where the homeless person usually sleeps. Residence requirements shall be construed liberally to provide homeless persons with the opportunity to register to vote and to vote.
8. A person's declaration of residency for voter registration and voting purposes is presumed to be valid unless a preponderance of evidence indicates that another location should be considered the person's voting residence under the provisions of this chapter.

48A.6 Disqualified electors.

The following persons are disqualified from registering to vote and from voting:

1. A person who has been convicted of a felony as defined in section 701.7, or convicted of an offense classified as a felony under federal law. If the person's rights are later restored by the governor, or by the president of the United States, the person may register to vote.

The voter registration commission shall adopt rules in accordance with chapter 17A to provide procedures for processing registration applications if the state department of transportation does not, before the close of registration for an election for which the voter registration would be effective, if verified, provide a report that the information on the application has matched or not matched the records of the department.

This section does not apply to persons entitled to register to vote and to vote pursuant to section 48A.5, subsection 4.

48A.26 Acknowledgment of registration form.

1. Within seven working days of receipt of a voter registration form or change of information in a voter registration record the commissioner shall send an acknowledgment to the registrant at the mailing address

shown on the registration form. The acknowledgment shall be sent by nonforwardable mail.

2. If the registration form appears on its face to be complete and proper, the acknowledgment shall state that the registrant is now a registered voter of the county. The acknowledgment shall also specify the name of the precinct and the usual polling place for the precinct in which the person is now registered. The acknowledgment may include the political party affiliation most recently recorded by the registrant.

3. If the registration form is missing required information pursuant to section 48A.11, subsection 8, the acknowledgment shall advise the applicant what additional information is required. The commissioner shall enclose a new registration by mail form for the applicant to use. If the registration form has no address, the commissioner shall make a reasonable effort to determine where the acknowledgment should be sent. If the incomplete application is received during the twelve days before the close of registration for an election, the commissioner shall provide the registrant with an opportunity to complete the form before the close of registration.

4. If the registrant applied by mail to register to vote and did not answer either "yes" or "no" to the question in section 48A.11, subsection 3, paragraph "a", the application shall be processed, but the registration shall be designated as valid only for elections that do not include candidates for federal offices on the ballot. The acknowledgment shall advise the applicant that the status of the registration is local and the reason for the registration being assigned local status. The commissioner shall enclose a new registration by mail form for the applicant to use. If the original application is received during the twelve days before the close of registration for an election that includes candidates for federal offices on the ballot, the commissioner shall provide the registrant with an opportunity to complete the form before the close of registration.

5. If the registrant applied by mail to register to vote and answered "no" to the question in section 48A.11, subsection 3, paragraph "a", the application shall not be processed. The acknowledgment shall advise the applicant that the registration has been rejected because the applicant indicated on the registration form that the applicant is not a citizen of the United States.

6. If the acknowledgment is returned as undeliverable by the United States postal service, the commissioner shall follow the procedure described in section 48A.29, subsection 1.

7. If a registrant has not supplied enough information on a registration form for the commissioner to determine the correct precinct and other districts, the commissioner shall obtain the information as quickly as possible either from the registrant or other sources available to the commissioner.

8. An improperly addressed or delivered registration form shall be forwarded to the appropriate county commissioner of registration within two working days after it is received by any other official. The date of registration shall be the date the registration form was received by the first official. If the registration form was postmarked fifteen or more days before an election and the registration form was received by the first official after the close of registration, the registration form shall be considered on time for the election.

9. When a person who is at least seventeen and one-half years of age but less than eighteen years of age registers to vote, the commissioner shall maintain a record of the registration so as to clearly indicate that it will not take effect until the registrant's eighteenth birthday and that the person is registered and qualifies to vote at any election held on or after that date.

48A.27 Changes to voter registration records.

1. Any voter registration form received by any voter registration agency, driver's license station, including county treasurer's offices participating in county issuance of driver's licenses under chapter 321M, or the

commissioner shall be considered as updating the registrant's previous registration.

2. *a.* A person who is registered to vote may request changes in the voter's registration record at any time by submitting one of the following, as applicable:

(1) A written notice to the county commissioner.

(2) A completed Iowa or federal mail registration form to the county commissioner.

(3) On election day, a registration form to the precinct election officials at the precinct of the voter's current residence.

(4) A change of address form to the office of driver services of the state department of transportation, or to a county treasurer's office that is participating in county issuance of driver's licenses under chapter 321M.

(5) A change of address notice for voter registration submitted to any voter registration agency.

b. If a change of name, telephone number, or address is submitted under this subsection, the commissioner shall not change the party affiliation in the elector's prior registration other than that indicated by the elector.

3. The commissioner shall make the necessary changes in the registration records without any action by the registrant when any of the following events occur:

a. Annexation of territory by a city. When an existing city annexes territory, the city clerk shall furnish the commissioner a detailed map of the annexed territory. If a city is divided into wards for voting purposes, the detailed map shall show the ward designations for the annexed territory. The commissioner shall change the registration of persons residing in that territory to reflect the annexation and the city precinct to which each of those persons is assigned. If the commissioner cannot determine the names and addresses of the persons affected by the annexation, the commissioner shall send each person who may be involved a letter informing the person that the person's registration may be in error, and requesting that each person provide the commissioner with the information necessary to correct the registration records.

b. Change of official street name or house or building number by a city or county. When the city or county changes the name of a street or the number of a house or other building in which a person resides, the city clerk or county board of supervisors shall inform the commissioner of the change, and the commissioner shall change the registration of each person affected.

c. Incorporation or discontinuance of a city. When a new city is incorporated or an existing city is discontinued, the city clerk shall notify the commissioner. The commissioner shall change the registration of each person affected.

d. Change of rural route designation of the residence of the registered voter. The commissioner shall request each postmaster in the county to inform the commissioner of each change in rural route designation and the names of the persons affected, and the commissioner shall change the registration of each person as appropriate.

4. *a.* A commissioner, either independently or in cooperation with the state registrar of voters, and in accordance with rules of the state voter registration commission, may enter into an agreement with a licensed vendor of the United States postal service participating in the national change of address program to identify registered voters of the county who may have moved either within or outside the county.

b. If the information provided by the vendor indicates that a registered voter has moved to another address within the county, the commissioner shall change the registration records to show the new residence address,

and shall also mail a notice of that action to both the former and new addresses. The notice shall be sent by forwardable mail, and shall include a postage prepaid preaddressed return form by which the registered voter may verify or correct the address information.

c. If the information provided by the vendor indicates that a registered voter has moved to an address outside the county, the commissioner shall make the registration record inactive, and shall mail a notice to the registered voter at both the former and new addresses.

The notice shall be sent by forwardable mail, and shall include a postage paid preaddressed return card on which the registered voter may state the registered voter's current address. The notice shall contain a statement in substantially the following form: "Information received from the United States postal service indicates that you are no longer a resident of, and therefore not eligible to vote in (name of county) County, Iowa. If this information is not correct, and you still live in (name of county) County, please complete and mail the attached postage paid card at least ten days before the primary or general election and at least eleven days before any other election at which you wish to vote. If the information is correct and you have moved, please contact a local official in your new area for assistance in registering there. If you do not mail in the card, you may be required to show identification before being allowed to vote in (name of county) County. If you do not return the card, and you do not vote in an election in (name of county) County, Iowa, on or before (date of second general election following the date of the notice) your name will be removed from the list of voters in that county. To ensure you receive this notice, it is being sent to both your most recent registration address and to your new address as reported by the postal service."

d. If the information provided by the vendor indicates the registered voter has moved to another county within the state, the notice required by paragraph "c" shall include a statement that registration in the county of the person's current residence is required.

e. If a registered voter returns a card sent pursuant to this subsection and confirms that the registered voter has moved to a new residence outside the county, the commissioner shall cancel the registration of the voter.

f. If a registered voter returns a card sent pursuant to this subsection and states that the registered voter's residence address has not changed for the purpose of voter registration, the commissioner shall reinstate the record to active status, making any other changes directed by the registrant in the notice.

5. The commissioner shall keep a record of the names and addresses of the registered voters to whom notices under this section are sent and the date of the notice. When the return card from a notice is received by the commissioner, the commissioner shall record the date it was received and whether the registrant had moved within the county, moved to an address outside the county, or had not changed residence.

48A.28 Systematic confirmation program.

1. Each commissioner shall conduct a systematic program that makes a reasonable effort to remove from the official list of registered voters the names of registered voters who have changed residence from their registration addresses. Either or both of the methods described in this section may be used.

2. A commissioner may participate in the United States postal service national change of address program, as provided in section 48A.27. The state voter registration commission shall adopt rules establishing specific requirements for participation and use of the national change of address program.

A commissioner participating in the national change of address program, in the first quarter of each calendar year, shall send a notice and preaddressed, postage paid return card by forwardable mail to each registered

voter whose name was not reported by the national change of address program and who has not voted in two or more consecutive general elections and has not registered again, or who has not reported a change to an existing registration, or who has not responded to a notice from the commissioner or registrar during the period between and following the previous two general elections. The form and language of the notice and return card shall be specified by the state voter registration commission by rule. A registered voter shall not be sent a notice and return card under this subsection more frequently than once in a four-year period.

3. For a commissioner who is not participating in the national change of address program, in February of each year the commissioner shall mail a confirmation notice to each registered voter in the county. The notice shall be sent by forwardable mail. The notice shall include a preaddressed, postage paid return card for the use of the registered voter or the recipient of the notice. The card shall contain boxes for the recipient to check to indicate one of the following:

- a. That the recipient is the registered voter named on the card, and is still a resident at the address listed.
- b. That the recipient is the registered voter named on the card, but is no longer a resident of the address listed.
- c. That the recipient is not the registered voter named on the card, and the registered voter named on the card is not a resident of the address listed.

The form and language of the confirmation notice and return card shall be specified by the state voter registration commission by rule.

48A.29 Procedure upon return of confirmation card.

1. If a confirmation notice and return card sent pursuant to section 48A.28 is returned as undeliverable by the United States postal service, the commissioner shall make the registration record inactive and shall mail a notice to the registered voter at the registered voter's most recent mailing address, as shown by the registration records.

The notice shall be sent by forwardable mail, and shall include a postage paid preaddressed return card on which the registered voter may state the registered voter's current address. The notice shall contain a statement in substantially the following form: "Information received from the United States postal service indicates that you are no longer a resident of (residence address) in (name of county) County, Iowa. If this information is not correct, and you still live in (name of county) County, please complete and mail the attached postage paid card at least ten days before the primary or general election and at least eleven days before any other election at which you wish to vote. If the information is correct, and you have moved, please contact a local official in your new area for assistance in registering there. If you do not mail in the card, you may be required to show identification before being allowed to vote in (name of county) County. If you do not return the card, and you do not vote in some election in (name of county) County, Iowa, on or before (date of second general election following the date of the notice) your name will be removed from the list of voters in that county."

2. When a detachable return card originally attached to a confirmation notice is returned indicating that the registered voter is still a resident of the address shown on the registration records, the commissioner shall make a record of the date the card was received.

3. When a detachable return card originally attached to a confirmation notice is returned by anyone other than the registered voter indicating that the registered voter is no longer a resident of the registration address, the commissioner shall make the registration record inactive, and shall mail a notice to the registered voter at the registered voter's most recent mailing address, as shown by the registration records.

The notice shall be sent by forwardable mail, and shall include a postage paid preaddressed return card on which the registered voter may state the registered voter's current address. If the information is correct, and you have moved within the county, you may update your registration by listing your new address on the card and mailing it back. If you have moved outside the county, please contact a local official in your new area for assistance in registering there. If you do not mail in the card, you may be required to show identification before being allowed to vote in (name of county) County. If you do not return the card, and you do not vote in some election in (name of county) County, Iowa, on or before (date of second general election following the date of the notice) your name will be removed from the list of registered voters in that county."

If the decedent was registered in a county which uses its own data processing facilities for voter registration recordkeeping, the registrar shall notify the commissioner in that county who shall cancel the decedent's registration. If the decedent was registered in a county for which voter registration recordkeeping is performed under contract by the registrar, the registrar shall immediately cancel the registration and notify the commissioner of the county in which the decedent was registered to vote of the cancellation.

The state agency originating the registration data shall permanently retain an electronic copy of the form completed by the registrant, including the registrant's signature, and shall develop procedures for the retrieval and printing of that electronic document. A printed copy of an electronic registration document shall be made only upon the agency's receipt of a court order.

Inactive records are records of registered voters to whom notices have been sent pursuant to section 48A.28, subsection 3, and who have not returned the card or otherwise responded to the notice, and those records have been designated inactive pursuant to section 48A.29. Local records are records of applicants who did not answer either "yes" or "no" to the question in section 48A.11, subsection 3, paragraph "a". Pending records are records of applicants whose applications have not been verified pursuant to section 48A.25A. All other records are active records. An inactive record shall be made active when the registered voter votes at an election, registers again, or reports a change of name, address, telephone number, or political party affiliation. c. Each list shall be in the order and form specified by the list purchaser, and shall contain the registration data specified by the list purchaser, provided compliance with the request is within the capability of the record maintenance system used by the registrar.
