

49.35 Order of arranging tickets on lever voting machine ballot.

Each list of candidates nominated by a political party or a group of petitioners shall be termed a ticket. Where lever voting machines are used, each ticket shall be placed in a separate vertical column or horizontal row on the ballot, in the order determined pursuant to section 49.37 by the authorities charged with the printing of the ballots. However, if a total of more than seven tickets are to be placed on the ballot the state commissioner may authorize a method of placement in which the groups of petitioners are not all placed in separate individual columns or rows.
