

619.14 Injuries to real property.

In actions for injuries to real property, the petition shall describe the property, and when the injury is to an incorporeal hereditament, shall describe the property in respect of which the right is claimed, as well as the right itself, either by the numbers by which the property is designated in the national survey, or by its abutments, or by its courses and distances, or by any name which it has acquired by reputation certain enough to identify it.
