

8A.206 Information technology standards.

1. The department shall develop, in consultation with the technology governance board, recommended standards for consideration with respect to the procurement of information technology by all participating agencies. It is the intent of the general assembly that information technology standards be established for the purpose of guiding such procurements. Such standards, unless waived by the department, shall apply to all information technology procurements for participating agencies.

2. The office of the governor or the office of an elective constitutional or statutory officer shall consult with the department prior to procuring information technology and consider the standards recommended by the department, and provide a written report to the department relating to the office's decision regarding such acquisitions.
