

124B.8 Missing quantity reporting.

A person who is required to report to the board pursuant to this chapter or a person listed as an exception under section 124B.6 shall report to the board either of the following occurrences within seven days of knowledge of the loss or occurrence:

1. Loss or theft of a precursor substance.
2. A difference between the amount of a precursor substance shipped and the amount of a precursor substance received. If applicable, the report shall include the name of the person who transported the precursor substance and the date of shipment.
