

135B.11 Functions of hospital licensing board compensation.

The hospital licensing board shall have the following responsibilities and duties:

1. To consult with and advise the department in matters of policy affecting administration of this chapter, and in the development of rules and standards provided for under this chapter.
2. To review and approve rules and standards authorized under this chapter prior to their approval by the state board of health and adoption by the department.

Each member of the board may also be eligible to receive compensation as provided in section 7E.6.
