

137.11 Request reviewed by state department.

The state department shall review requests submitted under section 137.10. The state department, upon finding that all necessary conditions are met, shall approve the formation of a district health department and shall so notify the local boards from whom the request was received.

[C71, 73, 75, 77, 79, 81, § 137.11]
