

15.116 Technology commercialization committee.

To evaluate and approve funding for projects and programs under section 15G.111, subsection 2, the economic development board shall create a technology commercialization committee composed of members with expertise in the areas of biosciences, engineering, manufacturing, pharmaceuticals, materials, information solutions, software, and energy. At least one member of the technology commercialization committee shall be a member of the economic development board. An organization designated by the department, composed of members from both the public and private sectors and composed of subunits or subcommittees in the areas of already identified bioscience platforms, education and workforce development, commercialization, communication, policy and governance, and finance, shall provide funding recommendations to the technology commercialization committee.
