

153.21 License by credentials.

The board may issue a license under this chapter without examination to an applicant who furnishes satisfactory proof that the applicant holds a license from a similar dental board under equal or substantially equal requirements to those of this state, and who for three consecutive years immediately prior to the filing of the application in this state has been in a legal practice of dentistry or dental hygiene in such other state, territory, or district of the United States, and who furnishes such other evidence as to the applicant's qualifications and lawful practice as the board may require.
