

15D.4 Workers' compensation.

The provisions of chapter 85 and any benefits payable thereunder shall apply and be payable to any persons dispatched to another state pursuant to Article VI of the compact. If the aiding personnel are officers or employees of subdivisions of this state, they shall be entitled to the same workers' compensation or other benefits in case of injury or death to which they would have been entitled if injured or killed while engaged in coping with a nuclear incident in their jurisdictions of regular employment.
