

18A.6A Capitol preservation of architectural and historic integrity.

1. A state agency, branch of government, or any other entity responsible for a construction, remodeling, restoration, maintenance, or other project in, on, or on the grounds surrounding the capitol shall ensure that the project preserves and enhances the dignity, beauty, and architectural and historic integrity of the capitol.

2. A project described in subsection 1 may vary from the architectural or historic integrity of the capitol if such variance is necessary to comply with state or federal laws relating to building accessibility or occupational safety or health, to address life safety issues, or for other compelling reasons. However, the state agency, branch of government, or other entity responsible for a project involving a variance from the architectural or historic integrity shall submit the plans for such project to the capitol planning commission and the capital projects committee of the legislative council for review.
