

216E.2 Express warranties.

1. A manufacturer or assistive device lessor who sells or leases an assistive device to a consumer, either directly or through an assistive device dealer, shall furnish the consumer with an express warranty for the assistive device, warranting the assistive device to be free of any nonconformity. The duration of the express warranty shall be not less than one year after first delivery of the assistive device to the consumer. If a manufacturer fails to furnish an express warranty as required by this section, the assistive device shall be covered by an express warranty as if the manufacturer had furnished an express warranty to the consumer as required by this section.

2. An express warranty does not take effect until the consumer takes possession of the new assistive device.
