

249J.23 Account for health care transformation.

1. An account for health care transformation is created in the state treasury under the authority of the department. Moneys received from sources including but not limited to appropriations from the general fund of the state, grants, and contributions shall be deposited in the account. The account shall include a separate premiums subaccount. Revenue generated through payment of premiums by expansion population members as required pursuant to section 249J.8 shall be deposited in the separate premiums subaccount within the account.

2. Moneys in the account shall be separate from the general fund of the state and shall not be considered part of the general fund of the state. The moneys deposited in the account are not subject to section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except to provide for the purposes specified in this section. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the account shall be credited to the account.

3. Moneys deposited in the account for health care transformation shall be used only as provided in appropriations from the account for the costs associated with certain services provided to the expansion population pursuant to section 249J.6, certain initiatives to be designed pursuant to section 249J.8, the case-mix adjusted reimbursement system for persons with mental retardation or developmental disabilities pursuant to section 249J.12, certain health promotion partnership activities pursuant to section 249J.14, the cost and quality performance evaluation pursuant to section 249J.16, auditing requirements pursuant to section 249J.22, the provision of additional indigent patient care and treatment, and administrative costs associated with this chapter.
