

263B.2 Duties.

The state archaeologist shall have the primary responsibility for the discovery, location and excavation of archaeological sites and for the recovery, restoration and preservation of archaeological remains in and for the state of Iowa, and shall co-ordinate all such activities through co-operation with the state department of transportation, the department of natural resources, and other state agencies concerned with archaeological salvage or the products thereof. The state archaeologist may publish educational and scientific reports relating to the responsibilities and duties of the office.
