

455B.104 Departmental duties permits assistance.

1. The department shall either approve or deny a permit to a person applying for a permit under this chapter within six months from the date that the department receives a completed application for the permit. An application which is not approved or denied within the six-month period shall be approved by default. The department shall issue a permit to the applicant within ten days following the date of default approval. However, this subsection shall not apply to applications for permits which are issued under division II or division IV, parts 2 through 7.

2. The department shall assist persons applying for assistance to establish and operate renewable fuel production facilities pursuant to the value-added agricultural products and processes financial assistance program established in section 15E.111.
