

461A.59 Powers in municipalities.

Municipalities or corporations organized for that purpose only, acting separately or in conjunction with each other in counties not having a county conservation board, may establish water recreational areas and when established without the support of public funds of the state of Iowa, the municipalities or corporations establishing the same, as the case may be, shall have control thereof independently of the executive council.

[C66, 71, 73, 75, 77, 79, 81, § 111.59]

C93, § 461A.59
