Fifty percent of the funds appropriated for purposes of this section for public outdoor recreation and resources shall be expended on land acquisition and capital improvements in carrying out this chapter. Acquisition projects, both fee-simple and less-than-fee, from willing sellers, may be for purposes of establishment or expansion of state parks, public hunting areas, natural areas, public fishing areas, water access sites, trail corridors, and other acquisition projects that are in accord with this chapter. Notwithstanding the exemption provided by section 427.1, land acquired under this subsection is subject to the full consolidated levy of property taxes which shall be paid from revenues available to be expended under this subsection.
