

679B.12 Investigation decision.

The board of arbitration and conciliation shall within ten days from the date of their appointment, unless such time shall be extended by the governor, complete the investigation of any controversy submitted to them, and during the pendency of such period neither party shall engage in any strike or lockout. Any decision made by the board shall date from the date of the appointment of the board and shall be binding upon the parties who join in the application as herein provided for a period of one year.
