

125.86 Periodic reports required.

1. No more than thirty days after entry of a court order for commitment to a facility under section 125.84, subsection 2, and thereafter at successive intervals not to exceed ninety days for as long as involuntary commitment of the respondent continues, the administrator of the facility shall report to the court which entered the order. The report shall be submitted in the manner required by section 125.84, shall state whether in the opinion of the chief medical officer the respondent's condition has improved, remains unchanged, or has deteriorated, and shall indicate the further length of time the respondent will be required to remain at the facility.

2. No more than sixty days after entry of a court order for treatment of a respondent under section 125.84, subsection 3, and thereafter at successive intervals not to exceed ninety days for as long as involuntary treatment continues, the administrator of the facility shall report to the court which entered the order. The report shall be submitted in the manner required by section 125.84, shall state whether in the opinion of the chief medical officer the respondent's condition has improved, remains unchanged, or has deteriorated, and shall indicate the further length of time the respondent will require treatment by the facility. If the respondent fails or refuses to submit to treatment as ordered by the court, the administrator of the facility shall at once notify the court, which shall order the respondent committed for treatment as provided by section 125.84, subsection 3, unless the court finds that the failure or refusal was with good cause, and that the respondent is willing to receive treatment as provided in the court's order, or in a revised order if the court sees fit to enter one. If the administrator of the facility reports to the court that the respondent requires full-time custody, care, and treatment in a facility, and the respondent is willing to be admitted voluntarily to the facility for these purposes, the court may enter an order approving the placement upon consultation with the administrator of the facility in which the respondent is to be placed. If the respondent is unwilling to be admitted voluntarily to the facility, the procedure for determining involuntary commitment, as provided in section 125.84, subsection 3, shall be followed.
