

147.34 Examinations.

Examinations for each profession licensed under this subtitle shall be conducted at least one time per year at such time as the department may fix in cooperation with each board. Examinations may be given at the state university of Iowa at the close of each school year for professions regulated by this subtitle and examinations may be given at other schools located in the state at which any of the professions regulated by this subtitle are taught. At least one session of each board shall be held annually at the seat of government and the locations of other sessions shall be determined by the board, unless otherwise ordered by the department. Applicants who fail to pass the examination once shall be allowed to take the examination at the next scheduled time. Thereafter, applicants shall be allowed to take the examination at the discretion of the board. Examinations may be given by a board which are prepared and scored by persons outside the state, and boards may contract for such services. A board may make an agreement with boards in other states for administering a uniform examination. An applicant who has failed an examination may request in writing information from the board concerning the examination grade and subject areas or questions which the applicant failed to answer correctly, except that if the board administers a uniform, standardized examination, the board shall only be required to provide the examination grade and such other information concerning the applicant's examination results which are available to the board.
