

147.49 License of another state.

The department shall, upon presentation of a license to practice a profession issued by the duly constituted authority of another state with which this state has established reciprocal relations, and subject to the rules of the board for such profession, license the applicant to practice in this state, unless under the rules of the board a practical examination is required. The department may, upon the recommendation of the board of medicine, accept in lieu of the examination prescribed in section 148.3 or section 150A.3 a license to practice medicine and surgery or osteopathic medicine and surgery, issued by the duly constituted authority of another state, territory, or foreign country. Endorsement may be accepted by the department in lieu of further written examination without regard to the existence or nonexistence of a reciprocal agreement, but shall not be in lieu of the standards and qualifications prescribed by section 148.3 or section 150A.3.
