

## **294.16 Annuity contracts.**

At the request of an employee through contractual agreement a school district may purchase group or individual annuity contracts for employees, which annuity contracts are issued by a nonprofit corporation issuing retirement annuities exclusively for educational institutions and their employees or are purchased from any company the employee chooses that is authorized to do business in this state or through an Iowa-licensed salesperson that the employee selects, on a group or individual basis, for retirement or other purposes, and may make payroll deductions in accordance with the arrangements for the purpose of paying the entire premium due and to become due under the contract. The deductions shall be made in the manner which will qualify the annuity premiums for the benefits under section 403(b) of the Internal Revenue Code, as defined in section 422.3. The employee's rights under the annuity contract are nonforfeitable except for the failure to pay premiums. As used in this section, unless the context otherwise requires, "*annuity contract*" includes any custodial account which meets the requirements of section 403(b)(7) of the Internal Revenue Code, as defined in section 422.3.
