

88A.3 Rules.

The commissioner shall adopt and issue rules for the safe installation, repair, maintenance, use, operation, and inspection of amusement devices, amusement rides, concession booths, and related electrical equipment at carnivals and fairs to the extent necessary for the protection of the public. The rules shall be based upon generally accepted engineering standards and shall be concerned with, but not necessarily limited to, engineering force stresses, safety devices, and preventive maintenance. Whenever such standards are available in suitable form they may be incorporated by reference. The rules shall provide for the reporting of accidents and injuries incurred from the operation of amusement devices or rides, concession booths, or related electrical equipment.

The commissioner may modify or repeal any rule adopted under the provisions of this chapter.
