

97B.14 Contributions forwarded.

Contributions deducted from the wages of the member under section 97B.11 prior to January 1, 1995, member contributions picked up by the employer under section 97B.11A beginning January 1, 1995, and the employer's contribution shall be forwarded to the system for recording and deposited with the treasurer of the state to the credit of the Iowa public employees' retirement fund. Contributions shall be remitted monthly, if total contributions by both employee and employer amount to one hundred dollars or more each month, and shall be otherwise paid in such manner, at such times and under such conditions, either by copies of payrolls or other methods necessary or helpful in securing proper identification of the member, as may be prescribed by the system.
