

97D.2 Analysis of cost of proposed changes.

When the public retirement systems committee established by section 97D.4 or a standing committee of the senate or house of representatives recommends a proposal for a change in a public retirement system within this state, the committee shall require the development of actuarial information concerning the costs of the proposed change. If the proposal affects police and fire retirement under chapter 411, the committee shall arrange for the services of an actuarial consultant to assist in developing the information.
