

99B.14 License denial, suspension, and revocation.

1. The department may deny, suspend, or revoke a license if the department finds that an applicant, licensee, or an agent of the licensee violated or permitted a violation of a provision of this chapter or a departmental rule adopted pursuant to chapter 17A, or for any other cause for which the director of the department would be or would have been justified in refusing to issue a license, or upon the conviction of a person of a violation of this chapter or a rule adopted under this chapter which occurred on the licensed premises. However, the denial, suspension, or revocation of one type of gambling license does not require, but may result in, the denial, suspension, or revocation of a different type of gambling license held by the same licensee. In addition, a person whose license is revoked under this section who is a person for which a class "A", class "B", class "C", or class "D" liquor control license has been issued pursuant to chapter 123 shall have the person's liquor control license suspended for a period of fourteen days in the same manner as provided in section 123.50, subsection 3, paragraph "a". In addition, a person whose license is revoked under this section who is a person for which only a class "B" or class "C" beer permit has been issued pursuant to chapter 123 shall have the person's class "B" or class "C" beer permit suspended and that person's sales tax permit suspended for a period of fourteen days in the same manner as provided in section 123.50, subsection 3, paragraph "a".

2. The process for denial, suspension, or revocation of a license shall commence by delivering to the applicant or licensee by certified mail, return receipt requested, or by personal service a notice setting forth the particular reasons for such action.

a. If a written request for a hearing is not received within thirty days after the mailing or service of the notice, the denial, suspension, or revocation of a license shall become effective pending a final determination by the department. The determination involved in the notice may be affirmed, modified, or set aside by the department in a written decision.

b. If a request for a hearing is timely received by the department, the applicant or licensee shall be given an opportunity for a prompt and fair hearing before the department and the denial, suspension, or revocation shall be deemed suspended until the department makes a final determination. However, the director may suspend a license prior to a hearing if the director finds that the public integrity of the licensed activity is compromised or there is a risk to public health, safety, or welfare. In addition, at any time during or prior to the hearing the department may rescind the notice of the denial, suspension, or revocation upon being satisfied that the reasons for the denial, suspension, or revocation have been or will be removed. On the basis of any such hearing, the determination involved in the notice may be affirmed, modified, or set aside by the department in a written decision.

3. A copy of the final decision of the department shall be sent by certified mail, return receipt requested, or served personally upon the applicant or licensee. The applicant or licensee may seek judicial review in accordance with the terms of the Iowa administrative procedure Act, chapter 17A.

4. The procedure governing hearings authorized by this section shall be in accordance with the rules promulgated by the department and chapter 17A.

5. If the department finds cause for denial of a license, the applicant may not reapply for the same license for a period of two years. If the department finds cause for suspension, the license shall be suspended for a period determined by the department. If the department finds cause for revocation, the license shall be revoked for a period not to exceed two years.
