

100B.9 Facilities and equipment.

The building known as the fire service institute at Iowa state university, the land upon which the building is located, and parking space associated with the building shall, until July 1, 2010, be leased by Iowa state university to the department of public safety at a cost not to exceed the actual cost of heating, lighting, and maintaining the building and parking space. All equipment owned by Iowa state university and used exclusively to conduct fire service training, classes, or business shall transfer on July 1, 2000, to the department of public safety unless such transfer is prohibited or restricted by law or agreement. This equipment includes, but is not limited to, breathing apparatus, fire suppression gear, mobile equipment, office furniture, computers, copying machines, library, file cabinets, and training records.

The department of public safety and the state board of regents shall enter into a written agreement pursuant to [chapter 28E](#) regarding payment of debt obligations incurred by the state board of regents on behalf of the Iowa cooperative extension service for agriculture and home economics for the lease-purchase of a mobile burn unit which is to be used by the department of public safety for fire fighter training. The written agreement shall also provide for storage of any of the equipment covered in [this section](#) at a facility owned by Iowa state university for as long as the lease for the building, land, and associated parking is in effect.
