

101.10 Assistance of department of natural resources.

If the state fire marshal has reasonable grounds for believing that a leak constitutes a hazardous condition which threatens the public health and safety, the fire marshal may request the assistance of the department of natural resources, and upon such request the department of natural resources is empowered to eliminate the hazardous condition as provided in [chapter 455B, division IV, part 4](#), the provisions of [section 455B.390, subsection 3](#), to the contrary notwithstanding.

[C79, 81, §101.10; 82 Acts, ch 1199, §92, 96]
