

226.2 Qualifications of superintendent.

The superintendent of each institute must be qualified by experience and training in the administration of human service programs. A physician shall not serve as both superintendent and business manager. A hospital administrator or other person qualified in business management appointed superintendent may also be designated to perform the duties of business manager without additional compensation. A physician appointed superintendent shall be designated clinical director and shall perform the duties imposed on the superintendent by [section 226.6, subsection 1](#), and such other duties of the superintendent as must by their nature be performed by a physician.
