

249J.2 Federal financial participation — contingent implementation.

[This chapter](#) shall be implemented only to the extent that federal matching funds are available for nonfederal expenditures under [this chapter](#). The department shall not expend funds under [this chapter](#), including but not limited to expenditures for reimbursement of providers and program administration, if appropriated nonfederal funds are not matched by federal financial participation.

2005 Acts, ch 167, §2, 66
