

321E.25 Use of highways of interstate system.

Use of the national system of interstate and defense highways under the provisions of [this chapter](#) shall be restricted by regulation and other appropriate action of the department in such a manner as to not be in conflict with the applicable provisions of section 127, Title 23, United States Code.

[C71, 73, 75, 77, 79, 81, §321E.25]
