

504.1604 Court-ordered inspection.

1. If a corporation does not allow a member who complies with [section 504.1602, subsection 1](#), to inspect and copy any records required by that subsection to be available for inspection, the district court in the county where the corporation's principal office is located or, if none is located in this state, where its registered office is located, may summarily order inspection and copying of the records demanded at the corporation's expense upon application of the member.

2. If a corporation does not within a reasonable time allow a member to inspect and copy any other records, or propose a reasonable alternative to such inspection and copying, the member who complies with [section 504.1602, subsections 2 and 3](#), may apply to the district court in the county where the corporation's principal office is located or, if none is located in this state, where its registered office is located, for an order to permit inspection and copying of the records demanded. The court shall dispose of an application under [this subsection](#) on an expedited basis.

3. If the court orders inspection and copying of the records demanded or other relief deemed appropriate by the court, it shall also order the corporation to pay the member's costs, including reasonable attorney fees incurred, to obtain the order unless the corporation proves that it refused inspection in good faith because it had a reasonable basis for doubt about the right of the member to inspect the records demanded.

4. If the court orders inspection and copying of the records demanded or other relief deemed appropriate by the court, it may impose reasonable restrictions on the use or distribution of the records by the demanding member.
