

7.10 Emergency highway peace officers.

Whenever the governor is satisfied that a state of emergency exists, or is likely to exist, on the public streets or highways of this state, because of violations of [chapter 321](#), the governor shall designate any employee or employees of this state as peace officers pursuant to [section 801.4, subsection 11](#), paragraph “j”, until such time as the governor is satisfied the state of emergency is ended.
