1. Effective July 1, 1996, a person who is a member of the federal civil service retirement program or the federal employee's retirement system is not eligible for membership in the Iowa public employees' retirement system for the same position, and [this chapter](#) does not apply to that employee. b. The total amount contributed to the Iowa old-age and survivors' insurance fund prior to July 1, 1953, by such member which was transferred to the retirement fund as of July 1, 1953, and would have been refundable to the member had the member not elected to receive prior service credit in accordance with [section 97B.43](#), with interest on such amount at two percent per annum compounded annually from July 1, 1953, to July 4, 1959.

3. Effective July 1, 1996, an employee who participates in the federal civil service retirement program or the federal employee's retirement system may be covered under [this chapter](#) if otherwise eligible. [This subsection](#) shall not be construed to permit any employer to contribute on behalf of an employee for the same position and the same period of service to both the Iowa public employees' retirement system and either the federal civil service retirement program or the federal employee's retirement system.
