

272.15 Reporting requirements — complaints.

1. The board of directors of a school district or area education agency, the superintendent of a school district or the chief administrator of an area education agency, and the authorities in charge of a nonpublic school shall report to the board the nonrenewal or termination, for reasons of alleged or actual misconduct, of a person's contract executed under sections 279.12, 279.13, 279.15 through 279.21, 279.23, and 279.24, and the resignation of a person who holds a license, certificate, or authorization issued by the board as a result of or following an incident or allegation of misconduct that, if proven, would constitute a violation of the rules adopted by the board to implement section 272.2, subsection 14, paragraph "b", subparagraph (1), when the board or reporting official has a good faith belief that the incident occurred or the allegation is true. Information reported to the board in accordance with this section is privileged and confidential, and except as provided in section 272.13, is not subject to discovery, subpoena, or other means of legal compulsion for its release to a person other than the respondent and the board and its employees and agents involved in licensee discipline, and is not admissible in evidence in a judicial or administrative proceeding other than the proceeding involving licensee discipline. The board shall review the information reported to determine whether a complaint should be initiated. In making that determination, the board shall consider the factors enumerated in section 272.2, subsection 14, paragraph "a". For purposes of this section, unless the context otherwise requires, "misconduct" means an action disqualifying an applicant for a license or causing the license of a person to be revoked or suspended in accordance with the rules adopted by the board to implement section 272.2, subsection 14, paragraph "b", subparagraph (1).

2. If, in the course of performing official duties, an employee of the department becomes aware of any alleged misconduct by an individual licensed under this chapter, the employee shall report the alleged misconduct to the board of educational examiners under rules adopted pursuant to subsection 1.

3. If the executive director of the board verifies through a review of official records that a teacher who holds a practitioner's license under this chapter is assigned instructional duties for which the teacher does not hold the appropriate license or endorsement, either by grade level or subject area, by a school district or accredited nonpublic school, the executive director may initiate a complaint against the teacher and the administrator responsible for the inappropriate assignment of instructional duties.
