

321.182 Application.

Every applicant for a driver's license shall do all of the following:

1. *a.* Make application on a form provided by the department which shall include the applicant's full name, signature, current mailing address, current residential address, date of birth, social security number, and physical description including sex, height, and eye color. The application may contain other information the department may require by rule. Pursuant to procedures established by the department and for an applicant who is a foreign national temporarily present in this state, the department may waive the requirement that the application include the applicant's social security number.

b. A licensee shall notify the department when the licensee's mailing address changes and provide the new address within thirty days of obtaining the new address. The application provided by the department shall include a statement for the applicant to sign that acknowledges the applicant's knowledge of the requirement to notify the department of a mailing address change. The penalty under section 321.482 shall not apply to a licensee's failure to notify the department of such an address change.

2. Surrender all other driver's licenses and nonoperator's identification cards.

3. Certify that the applicant has no other driver's license and certify that the applicant is a resident of this state as provided in section 321.1A. However, certification of residency is not required for an applicant for a nonresident commercial driver's license who is a foreign national temporarily present in this state, as determined by the department.

4. Certify that the applicant is not currently subject to suspension, revocation, or cancellation of any driver's license and has committed no offense and has not acted in a manner which either alone or with previous actions or offenses could result in suspension, revocation, or cancellation of any driver's license.
