

321.368 Crossing fire hose.

No vehicle shall be driven over any unprotected hose of a fire department when laid down on any street, private driveway, or streetcar track, to be used at any fire or alarm of fire, without the consent of the fire department official in command.

[C39, §5031.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.368]

For applicable scheduled fine, see §805.8A, subsection 11
