2. The transactions of a hospital trustee or a hospital trustee’s spouse shall be limited as follows:

a. A conflict of interest transaction is a transaction with the hospital in which a hospital trustee or a hospital trustee’s spouse has a direct interest of less than or equal to one thousand five hundred dollars or indirect interest in any amount. (3) The transaction was fair to the hospital at the time of the transaction.

b. For the purposes of this section, a trustee has an indirect interest in a transaction if either of the following is true:

(1) Another entity in which the trustee or the trustee’s spouse has a material interest or in which the trustee or the trustee’s spouse is a general partner is party to the transaction.

(2) Another entity of which the trustee or the trustee’s spouse is a director, officer, or trustee is a party to the transaction.

3. This section does not prohibit a licensed health care practitioner from serving as a hospital trustee if the practitioner’s sole use of the county hospital is to provide health care service to an individual with mental retardation as defined in section 222.2.
