If the person making the “first sale” did not pay such tax, it shall be paid by any person into whose possession such cigarettes come until said tax has been paid in full. No person, however, shall be required to pay a tax on cigarettes brought into this state on or about the person in quantities of forty cigarettes or less, when such cigarettes have had the individual packages or seals thereof broken and when such cigarettes are actually used by said person and not sold or offered for sale.

4. Any other person who purchases or is in possession of unstamped cigarettes shall pay the tax directly to the department.

5. The per cigarette amount of the tax shall be added to the selling price of every package of cigarettes sold in this state and shall be collected from the purchaser so that the ultimate consumer bears the burden of the tax.

Stamps shall be sold in unbroken rolls of thirty thousand stamps or unbroken lots of any other form authorized by the director.

2. Orders for cigarette tax stamps, including the payment for such stamps, shall be sent direct to the department on a form to be prescribed by the director, except as provided in subsection 6.

[P] Inventory tax, §453A.40

453A.13 Distributor’s, wholesaler’s, and retailer’s permits.

1. *Permits required.* Every distributor, wholesaler, cigarette vendor, and retailer, now engaged or who desires to become engaged in the sale or use of cigarettes, upon which a tax is required to be paid, shall obtain a state or retail cigarette permit as a distributor, wholesaler, cigarette vendor, or retailer, as the case may be.

2. *Issuance or denial.*

a. The department shall issue state permits to distributors, wholesalers, and cigarette vendors subject to the conditions provided in this division. Cities may issue retail permits to dealers within their respective limits. County boards of supervisors may issue retail permits to dealers in their respective counties, outside of the corporate limits of cities.

b. The department may deny the issuance of a permit to a distributor, wholesaler, vendor or retailer who is substantially delinquent in the payment of a tax due, or the interest or penalty on the tax, administered by the department at the time of application. If the applicant is a partnership, a permit may be denied if a partner is substantially delinquent on any delinquent tax, penalty or interest. If the applicant is a corporation, a permit may be denied if any officer having a substantial legal or equitable interest in the ownership of the corporation owes any delinquent tax, interest or penalty of the applicant corporation.

c. The department, or a city or county, shall submit a duplicate of any application for a retail permit and any retail permit issued by the entity under this subsection to the Iowa department of public health within thirty days of the issuance.

3. *Fees — expiration.* All permits provided for in this division shall expire on June 30 of each year. A permit shall not be granted or issued until the applicant has paid for the period ending June 30 next, to the department or the city or county granting the permit, the fees provided for in this division. The annual state permit fee for a distributor, cigarette vendor, and wholesaler is one hundred dollars when the permit is granted during the months of July, August, or September. However, whenever a state permit holder operates more than one place of business, a duplicate state permit shall be issued for each additional place of business

on payment of five dollars for each duplicate state permit, but refunds as provided in this division do not apply to any duplicate permit issued.

The fee for retail permits is as follows when the permit is granted during the months of July, August, or September:

- a. In places outside any city, fifty dollars.
- b. In cities of less than fifteen thousand population, seventy-five dollars.
- c. In cities of fifteen thousand or more population, one hundred dollars.

If any permit is granted during the months of October, November, or December, the fee shall be three-fourths of the above maximum schedule; if granted during the months of January, February, or March, one-half of the maximum schedule, and if granted during the months of April, May, or June, one-fourth of the maximum schedule.

4. *Refunds.*

a. An unrevoked permit for which the holder has paid the full annual fee may be surrendered during the first nine months of said year to the officer issuing it, and the department, or the city or county granting the permit shall make refunds to the said holder as follows:

- Three-fourths of the annual fee if the surrender is made during July, August, or September.
- One-half of the annual fee if the surrender is made during October, November, or December.
- One-fourth of the annual fee if the surrender is made during January, February, or March.

b. An unrevoked permit for which the holder has paid three-fourths of a full annual fee may be so surrendered during the first six months of the period covered by said payment and the said department, city or county shall make refunds to the holder as follows:

A sum equal to one-half of an annual fee if the surrender is made during October, November or December.

A sum equal to one-fourth of an annual fee if the surrender is made during January, February or March.

c. An unrevoked permit for which the holder has paid one-half of a full annual fee may be so surrendered during the first three months of the period covered by said payment, and the department, city or county, shall refund to the holder a sum equal to one-fourth of an annual fee.

5. *Application — bond.* Permits shall be issued only upon applications accompanied by the fee indicated above, and by an adequate bond as provided in section 453A.14, and upon forms furnished by the department upon written request. The failure to furnish such forms shall be no excuse for the failure to file the forms unless absolute refusal is shown. The forms shall set forth all of the following:

- a. The manner under which the distributor, wholesaler, or retailer, transacts or intends to transact such business as a distributor, wholesaler, or retailer.
- b. The principal office, residence, and place of business where the permit is to apply.
- c. If the applicant is not an individual, the principal officers or members and their addresses.
- d. Any other information as the director shall by rules prescribe.

6. *No sales without permit.* No distributor, wholesaler, cigarette vendor, or retailer shall sell any cigarettes until such application has been filed and the fee prescribed paid for a permit and until such permit is obtained and only while such permit is unrevoked and unexpired.

7. *Number of permits — trucks.* An application shall be filed and a permit obtained for each place of business owned or operated by a distributor, wholesaler, or retailer, excepting that no permit need be obtained for a delivery or sales truck of a distributor or wholesaler holding a permit, provided that the director may by regulation require that said truck bear the distributor's or wholesaler's name, and that the permit number of the place of business for and from which it operates be conspicuously displayed on the outside of the body of the truck, immediately under the name.

8. *Group business.* Any person who operates both as a distributor and wholesaler in the same place of business shall only be required to obtain a state permit for the particular place of business where such operation of said business is conducted. A separate retail permit, however, shall be required if any distributor or wholesaler sells cigarettes at both retail and wholesale.

9. *Permit — form and contents.* Each permit issued shall describe clearly the place of business for which it is issued, shall be nonassignable, consecutively numbered, designating the kind of permit, and shall authorize the sale of cigarettes in this state subject to the limitations and restrictions herein contained. The retail permits shall be upon forms furnished by the department or on forms made available or approved by the department.

10. *Permit displayed.* The permit shall, at all times, be publicly displayed by the distributor, wholesaler, or retailer at the place of business so as to be easily seen by the public and the persons authorized to inspect the place of business. The proprietor or keeper of any building or place where cigarettes and other tobacco products are kept for sale, or with intent to sell, shall upon request of any agent of the department or any peace officer exhibit the permit. A refusal or failure to exhibit the permit is prima facie evidence that the cigarettes or other tobacco products are kept for sale or with intent to sell in violation of this division.

453A.14 Bonds.

1. No state or manufacturer's permit shall be issued until the applicant files a bond, with good and sufficient surety, to be approved by the director, which bond shall be in favor of the state and conditioned upon the payment of taxes, damages, fines, penalties, and costs adjudged against the permit holder for violation of any of the provisions of this division.

The bonds shall be on forms prescribed by the director and in the following amounts:

a. State permit, not less than five hundred dollars.

b. Manufacturer's permit, not less than five thousand dollars.

2. A person shall not engage in interstate business unless the person files a bond, with good and sufficient surety in an amount of not less than one thousand dollars. The amount of the bond required of the person shall be fixed by the director, subject to the minimum limitation provided in this section. The bond is subject to approval by the director and shall be payable to the state in Des Moines, Polk county, and conditioned upon the payment of taxes, damages, fines, penalties, and costs adjudged against the person for violation of any of the requirements of this division affecting the person, on a form prescribed by the director.

3. An additional bond or a new bond may be required by the director at any time an existing bond becomes insufficient or the surety thereon becomes unsatisfactory, which additional bond, or new bond, shall be supplied within ten days after demand. On failure to supply a new bond or additional bond within ten days after demand, the director may cancel any existing bond made and secured by and for the person. If the bond is canceled the person shall within forty-eight hours after receiving cigarettes or forty-eight hours after the cancellation, excluding Sundays and legal holidays, cause any cigarettes in the person's possession to have the requisite amount of stamps affixed to represent the tax.

453A.15 Records and reports of permit holders.

1. The director may prescribe the forms necessary for the efficient administration of this division and may require uniform books and records to be used and kept by each permit holder or other person as deemed necessary. The director may also require each permit holder or other person to keep and retain in the director's possession evidence on prescribed forms of all transactions involving the purchase and sale of cigarettes or the purchase and use of stamps. The evidence shall be kept for a period of three years from the date of each transaction, for the inspection at all times by the department.

2. Where a state permit holder sells cigarettes at retail, the holder shall be required to

maintain detailed records for sales of cigarettes to be sold at retail and the cigarette sales records shall be kept separate and apart.

3. The director may by regulation require every holder of a manufacturer's or state permit or other person to make and deliver to the department on or before the tenth day of each month a report or reports for the preceding calendar month, upon a form or forms prescribed by the director, and may require that the reports shall be properly sworn to and executed by the permit holder or the holder's duly authorized representative or other person.

4. Every permit holder or other person shall, when requested by the department, make additional reports as the department deems necessary and proper and shall at the request of the department furnish full and complete information pertaining to any transaction of the permit holder or other person involving the purchase or sale or use of cigarettes or purchase of cigarette stamps.

5. Every person engaged in the business of selling cigarettes in interstate commerce only, who has, by furnishing the bond required in section 453A.14, been permitted to set aside or store cigarettes in this state for the conduct of such interstate business without the stamps affixed thereto, shall be required to keep such records and make such reports to the department as are required by the department.

6. If any distributor, manufacturer, or other person fails or refuses to pay any tax, penalties, or cost of audit hereinafter provided, and it becomes necessary to bring suit or to intervene in any manner for the establishment or collection of said claims, in any judicial proceedings, any report filed in the office of the director by the distributor, manufacturer, or other person, or the distributor's, manufacturer's, or other person's representative, or a copy thereof, certified to by the director, showing the number of cigarettes sold by the distributor, the distributor's representative, the manufacturer, or the other person, upon which a tax, penalty, or cost of audit has not been paid, or any audit made by the department from the books or records of the distributor, manufacturer, or other person when signed and sworn to by the agent of the department making the audit as being made from the records of the distributor, manufacturer, or other person from or to whom the distributor, manufacturer, or other person has bought, received, or delivered cigarettes, whether from a transportation company or otherwise, such report or audit shall be admissible in evidence in such proceedings and shall be prima facie evidence of the contents thereof. However, the incorrectness of the report or audit may be shown.

7. The director may require by rule that reports required to be made under this division be filed by electronic transmission.

The department may, upon application of any manufacturer, issue without charge to the manufacturer a manufacturer's permit. The application shall contain information as the director shall prescribe. 453A.17 Distributing agent's permit.

1. Every distributing agent in the state, now engaged, or who desires to become engaged, in the business of storing unstamped cigarettes which are received in interstate commerce for distribution or delivery only upon order received from without the state or to be sold outside the state, shall file with the department, an application for a distributing agent's permit, on a form prescribed by the director, to be furnished upon written request. The

failure to furnish shall be no excuse for the failure to file the same unless an absolute refusal is shown. Said form shall set forth the name under which such distributing agent transacts or intends to transact such business as a distributing agent, the principal office and place of business in Iowa to which the permit is to apply, and if other than an individual, the principal officers or members thereof and their addresses. The director may require any other information in said application. No distributing agent shall engage in such business until such application has been filed and fee in the sum of one hundred dollars paid for the permit and until the permit has been obtained. Such permit shall expire on June 30 following the date of issuance. All of the provisions of the last two paragraphs of section 453A.14, relative to bonds, are incorporated herein and by this reference made applicable to distributing agents. Upon failure to furnish adequate bond as required, the permit shall be revoked without hearing. An application shall be filed and a permit obtained for each place of business owned or operated by a distributing agent.

2. Upon receipt of the application, bond and permit fee, the department may issue to every distributing agent for the place of business designated a nonassignable consecutively numbered permit, authorizing the storing, and distribution of unstamped cigarettes within this state when the distribution is made upon interstate orders only. A distributing agent may also transport unstamped cigarettes in the agent's own conveyances to the state boundary for distribution outside the state, and any nonresident customer of the distributor may purchase and convey unstamped cigarettes to the state line for distribution outside the state. The nonresident purchaser shall have in possession an invoice evidencing the purchase of the unstamped cigarettes, which must be exhibited upon request to any peace officer or agent charged with the enforcement of this division.

3. Cigarettes set aside for interstate business must be kept separate from intrastate stock and those not so kept shall be considered as intrastate stock and subject to the same requirements as cigarettes possessed for the purpose of a "first sale".

4. It is unlawful for any distributing agent to sell at retail cigarettes from automobiles, trucks, or any similar conveyances.

453A.18 Forms for records and reports.

The department shall furnish or make available in electronic form, without charge, to holders of the various permits, forms in sufficient quantities to enable permit holders to make the reports required to be made under this division. The permit holders shall furnish at their own expense the books, records, and invoices, required to be used and kept, but the books, records, and invoices shall be in exact conformity to the forms prescribed for that purpose by the director, and shall be kept and used in the manner prescribed by the director. However, the director may, by express order in certain cases, authorize permit holders to keep their records in a manner and upon forms other than those prescribed. The authorization may be revoked at any time.

453A.19 Examination of records and premises.

1. For the purpose of enabling the department to determine the tax liability of permit holders or any other person dealing in cigarettes or to determine whether a tax liability has been incurred, the department shall have the right to inspect any premises of the holder of an Iowa permit located within or without the state of Iowa where cigarettes are manufactured, produced, made, stored, transported, sold, or offered for sale or exchange, and to examine all of the records required to be kept or any other records that may be kept incident to the conduct of the cigarette business of said permit holder or any other person dealing in cigarettes.

2. The said authorized officers shall also have the right as an incident to determining the said tax liability, or whether a tax liability has been incurred, to examine all stocks of cigarettes and cigarette stamps and for the foregoing purpose said authorized officers shall

also have the right to remain upon said premises for such length of time as may be necessary to fully determine said tax liability, or whether a tax liability has been incurred.

3. It shall be unlawful for any of the foregoing permit holders to fail to produce upon demand of the department any records required herein to be kept or to hinder or prevent in any manner the inspection of said records or the examination of said premises.

4. In the case of any departmental inspection conducted under this section requiring department personnel to travel outside the state of Iowa, any additional costs incurred by the department for out-of-state travel expenses shall be borne by the permittee. These additional costs shall be those costs in excess of the costs of a similar inspection conducted at the geographical point located within the state of Iowa nearest to the out-of-state inspection point. In lieu of conducting an on premises out-of-state inspection, the department shall have the authority to direct the permittee to assemble and transport all records described in subsection 1, to the nearest practical and convenient geographical location in Iowa for inspection by the department.

Such attendance and production may be required at the statehouse at Des Moines, or at any place convenient for such investigation. In case any person fails or refuses to obey a subpoena so issued, the director may procure an order from the district court in the county where such person resides, or where such person is found, requiring such person to appear for examination and/or to produce such books, papers, and records as are required in the subpoena. Failure to obey such order shall be punished by such court as contempt thereof.

453A.22 Revocation — suspension — civil penalty.

1. If a person holding a permit issued by the department under this division, including a retailer permit for railway car, has willfully violated section 453A.2, the department shall revoke the permit upon notice and hearing. If the person violates any other provision of this division, or a rule adopted under this division, or is substantially delinquent in the payment of a tax administered by the department or the interest or penalty on the tax, or if the person is a corporation and if any officer having a substantial legal or equitable interest in the ownership of the corporation owes any delinquent tax of the permit-holding corporation, or interest or penalty on the tax, administered by the department, the department may revoke the permit issued to the person, after giving the permit holder an opportunity to be heard upon ten days' written notice stating the reason for the contemplated revocation and the time and place at which the person may appear and be heard. The hearing before the department may be held at a site in the state as the department may direct. The notice shall be given by mailing a copy to the permit holder's place of business as it appears on the application for a permit. If, upon hearing, the department finds that the violation has occurred, the department may revoke the permit.

2. If a retailer or employee of a retailer has violated section 453A.2 or section 453A.36, subsection 6, the department or local authority, or the Iowa department of public health following transfer of the matter to the Iowa department of public health pursuant to section

453A.2, subsection 6, in addition to the other penalties fixed for such violations in this section, shall assess a penalty upon the same hearing and notice as prescribed in subsection 1 as follows:

a. For a first violation, the retailer shall be assessed a civil penalty in the amount of three hundred dollars. Failure to pay the civil penalty as ordered under this subsection shall result in automatic suspension of the permit for a period of fourteen days.

b. For a second violation within a period of two years, the retailer shall be assessed a civil penalty in the amount of one thousand five hundred dollars or the retailer's permit shall be suspended for a period of thirty days. The retailer may select its preference in the penalty to be applied under this paragraph.

c. For a third violation within a period of three years, the retailer shall be assessed a civil penalty in the amount of one thousand five hundred dollars and the retailer's permit shall be suspended for a period of thirty days.

d. For a fourth violation within a period of three years, the retailer shall be assessed a civil penalty in the amount of one thousand five hundred dollars and the retailer's permit shall be suspended for a period of sixty days.

e. For a fifth violation within a period of four years, the retailer's permit shall be revoked.

3. If an employee of a retailer violates section 453A.2, subsection 1, the retailer shall not be assessed a penalty under subsection 2, and the violation shall be deemed not to be a violation of section 453A.2, subsection 1, for the purpose of determining the number of violations for which a penalty may be assessed pursuant to subsection 2, if the employee holds a valid certificate of completion of the tobacco compliance employee training program pursuant to section 453A.5 at the time of the violation. A retailer may assert only once in a four-year period the bar under this subsection against assessment of a penalty pursuant to subsection 2, for a violation of section 453A.2, that takes place at the same place of business location.

4. Reserved.

5. If a permit is revoked a new permit shall not be issued to the permit holder for any place of business, or to any other person for the place of business at which the violation occurred, until one year has expired from the date of revocation, unless good cause to the contrary is shown to the issuing authority.

6. Notwithstanding subsection 5, if a retail permit is suspended or revoked under this section, the suspension or revocation shall only apply to the place of business at which the violation occurred and shall not apply to any other place of business to which the retail permit applies but at which the violation did not occur.

7. The department or local authority shall report the suspension or revocation of a retail permit under this section to the Iowa department of public health within thirty days of the suspension or revocation of the retail permit.

8. For the purposes of this section, "retailer" means retailer as defined in sections 453A.1 and 453A.42 and "retail permit" includes permits issued to retailers under division I or division II of this chapter.

C93, §453A.27

453A.28 Assessment of tax by department — interest — penalty.

If after any audit, examination of records, or other investigation the department finds that any person has sold cigarettes without stamps affixed or that any person responsible for paying the tax has not done so as required by this division, the department shall fix and determine the amount of tax due, and shall assess the tax against the person, together with a penalty as provided in section 421.27. The taxpayer shall pay interest on the tax or additional tax at the rate determined under section 421.7 counting each fraction of a month as an entire month, computed from the date the tax was due. If any person fails to furnish evidence satisfactory to the director showing purchases of sufficient stamps to stamp unstamped cigarettes purchased by the person, the presumption shall be that the cigarettes were sold without the proper stamps affixed. Within three years after the report is filed or within three years after the report became due, whichever is later, the department shall examine the report and determine the correct amount of tax. The period for examination and determination of the correct amount of tax is unlimited in the case of a false or fraudulent report made with the intent to evade tax, or in the case of a failure to file a report, or if a person purchases or is in possession of unstamped cigarettes.

The three-year period of limitation may be extended by a taxpayer by signing a waiver agreement form to be provided by the department. The agreement must stipulate the period of extension and the tax period to which the extension applies. The agreement must also provide that a claim for refund may be filed by the taxpayer at any time during the period of extension.

453A.29 Notice and appeal.

The department shall notify any person assessed pursuant to section 453A.28 by sending a written notice of the determination by mail to the principal place of business of the person as shown on the person's application for permit, and if an application was not filed by the person, to the person's last known address. A determination by the department of the amount of tax, penalty, and interest due, or the amount of refund for excess tax paid, is final, unless the person aggrieved by the determination appeals to the director for a revision of the determination within sixty days from the date of the notice of determination of tax, penalty, and interest or refund owing or unless the taxpayer contests the determination by paying the tax, interest, and penalty and timely filing a claim for refund. The director shall grant a hearing and upon the hearing, the director shall determine the correct tax, penalty, and interest or refund due and notify the appellant of the decision by mail. Judicial review of action of the director may be sought in accordance with the Iowa administrative procedure Act, chapter 17A, and section 422.29.

the holder or person or filed all reports containing all required information as specified by the department under the provisions of this chapter. 1. All cigarettes on which taxes are imposed or required to be imposed by this division,

which are found in the possession or custody, or within the control of any person, for the purpose of being sold, distributed, or removed by the person in violation of this division, and all cigarettes which are removed, stored, transported, deposited, or concealed in any place without the proper taxes paid, and any automobile, truck, boat, conveyance, or other vehicle whatsoever, used in the removal, storage, deposit, concealment, or transportation of cigarettes for the purpose of avoiding the payment of the proper tax, and all equipment or other tangible personal property incident to and used for the purpose of avoiding the payment of the proper tax, found in the place, building, or vehicle where cigarettes are found, and all counterfeit cigarettes may be seized by the department, with or without process and shall be from the time of the seizure forfeited to the state of Iowa. A proceeding in the nature of a proceeding in rem shall be filed in a court of competent jurisdiction in the county of seizure to maintain the seizure and declare and perfect the forfeiture. All cigarettes, counterfeit cigarettes, vehicles, and property seized, remaining in the possession or custody of the department, sheriff or other officer for forfeiture or other disposition as provided by law, are not subject to replevin.

2. The department, when taking the seizure aforesaid, shall immediately make a written report thereof showing the name of the agent or representative making the seizure, the place and person where and from whom such property was seized and an inventory of same and appraisement thereof at the reasonable value of the article seized, which report shall be prepared in duplicate, signed by the agent or representative so seizing, the original of which shall be given to the person from whom said property is taken, and a duplicate copy of which shall be filed in the office of the director and shall be open to public inspection.

3. The county attorney of the county of seizure, shall, at the request of the director, file in the county and court aforesaid forfeiture proceeding in the name of the state as plaintiff, and in the name of the owner or person in possession as defendant, if known, and if unknown, then in the name of said property seized and sought to be forfeited. Upon the filing of said proceeding, the clerk of said court shall issue notice to the owner or person in possession of such property to appear before such court upon the date named therein, which shall not be less than two days from service of such notice, to show cause why the forfeiture aforesaid should not be declared, which notice shall be served by the sheriff of said county. In the event the defendant in said proceeding is a nonresident of the state or the defendant's residence is unknown, or in the event the name of such defendant is unknown, upon affidavit by the director to this effect, notice shall be given as ordered by the court.

4. In the event final judgment is rendered in the forfeiture proceedings aforesaid, maintaining the seizure, and declaring and perfecting the forfeiture of said seized property, the court shall order and decree the sale of the seized property, other than the counterfeit cigarettes, to the highest bidder, by the sheriff at public auction in the county of seizure after notice is given in the manner provided in the case of the sale of personal property under execution, and the proceeds of such sale, less expense of seizure and court costs, shall be paid into the state treasury. Counterfeit cigarettes shall be destroyed or disposed of in a manner determined by the director.

5. In the event the cigarettes seized and sought to be sold upon forfeiture are unstamped, the cigarettes shall be sold by the director or the director's designee to the highest bidder among the permitted distributors in this state after written notice has been mailed to all distributors. If there is no bidder, or in the opinion of the director the quantity of cigarettes to be sold is insufficient or for any other reason such disposition of the cigarettes is impractical, the cigarettes shall be destroyed or disposed of in a manner as determined by the director. The proceeds from the sales shall be paid into the state treasury.

6. The provisions of this section applying to cigarettes shall also apply to tobacco products taxed under division II of this chapter.

453A.36 Unlawful acts.

1. Except as otherwise provided in this division, it is unlawful for any person to have in the person's possession for sale, distribution, or use, or for any other purpose, in excess of forty cigarettes, or to sell, distribute, use, or present as a gift or prize cigarettes upon which a tax is required to be paid by this division, without having affixed to each individual package of cigarettes, the proper stamp evidencing the payment of the tax and the absence of the stamp on the individual package of cigarettes is notice to all persons that the tax has not been paid and is prima facie evidence of the nonpayment of the tax.

2. No person, other than a common carrier and a distributor's truck bearing the distributor's name and permit number in plain view on the outside of such truck, shall transport within this state cigarettes upon which a tax is required to be paid, without having stamps affixed to each individual package of said cigarettes; and no person shall fail or refuse, upon demand of agent of the department, or any peace officer to stop any vehicle transporting cigarettes for a full and complete inspection of the cargo carried.

3. No person shall use, sell, offer for sale, or possess for the purpose of use or sale, within this state, any previously used stamp or stamps, or attach any such previously used stamps to an individual package of cigarettes, nor shall any person purchase stamps from any person other than the department or sell stamps purchased from the department.

4. No person shall knowingly use, consume, or smoke, within this state, cigarettes upon which a tax is required to be paid, without said tax having been paid.

5. No person, unless the person be the holder of a permit, or the holder's representative, shall solicit the sale of cigarettes, provided that this section shall not prevent solicitation by a nonpermit holder for the sale of cigarettes to any state permit holder.

6. Any sales of cigarettes or tobacco products made through a cigarette vending machine are subject to rules and penalties relative to retail sales of cigarettes and tobacco products provided for in this chapter. Cigarettes shall not be sold through any cigarette vending machine unless the cigarettes have been properly stamped or metered as provided by this division, and in case of violation of this provision, the permit of the dealer authorizing retail sales of cigarettes shall be revoked. Payment of the permit fee as provided in section 453A.13 authorizes a cigarette vendor to sell cigarettes or tobacco products through vending machines. However, cigarettes or tobacco products shall not be sold through a vending machine unless the vending machine is located in a place where the retailer ensures that no person younger than eighteen years of age is present or permitted to enter at any time. Cigarettes or tobacco products shall not be sold through any cigarette vending machine if such products are placed together with any nontobacco product, other than matches, in the cigarette vending machine. This section does not require a retail permit holder to buy a cigarette vendor's permit if the retail permit holder is in fact the owner of the cigarette vending machines and the machines are operated in the location described in the retail permit.

7. It shall be unlawful for a person other than a holder of a retail permit to sell cigarettes at retail. No state permit holder shall sell or distribute cigarettes at wholesale to any person in the state of Iowa who does not hold a permit authorizing the retail sale of cigarettes or who does not hold a state permit as a manufacturer, distributing agent, wholesaler, or distributor.

8. It shall be unlawful for a holder of a retail permit to sell or distribute any cigarettes or tobacco products, including but not limited to a single or loose cigarette, that are not contained within a sealed carton, pack, or package as provided by the manufacturer, which carton, pack, or package bears the health warning that is required by federal law.

9. It is unlawful for a person to ship or import into the state, or to offer for sale, sell, distribute, transport, or possess within this state, cigarettes or tobacco products previously exported from or manufactured for use outside the United States.

10. a. It is unlawful for a person to ship or import into this state or to offer for sale, sell, distribute, transport, or possess counterfeit cigarettes, knowing such cigarettes are counterfeit cigarettes or having reasonable cause to believe that such cigarettes are counterfeit cigarettes.

b. For purposes of this subsection and section 453A.32, "*counterfeit cigarettes*" means cigarettes, packages of cigarettes, cartons of cigarettes or other containers of cigarettes with

a label, trademark, service mark, trade name, device, design, or word adopted or used by a cigarette manufacturer to identify its product that is false or used without authority of the cigarette manufacturer.

11. Violation of this section by the holder of a distributor's, wholesaler's or manufacturer's permit shall be grounds for the revocation of such permit.

453A.44 Licenses — distributors, subjobbers.

1. No person shall engage in the business of a distributor or subjobber of tobacco products at any place of business without first having received a license from the director to engage in that business at that place of business.

2. Every application for such a license shall be made on a form prescribed by the director and shall state the name and address of the applicant; if the applicant is a firm, partnership, or association, the name and address of each of its members; if the applicant is a corporation, the name and address of each of its officers; the address of its principal place of business; the place where the business to be licensed is to be conducted; and such other information as the director may require for the purpose of the administration of this division.

3. A person without this state who ships or transports tobacco products to retailers in this state, to be sold by those retailers, may make application for a license as a distributor, be granted a license by the director, and thereafter be subject to all the provisions of this division and entitled to act as a licensed distributor.

4. Each application for a distributor's license shall be accompanied by a fee of one hundred dollars, except that an applicant holding a permit pursuant to division I of this chapter shall not be required to pay an additional fee. The application shall be accompanied by a corporate surety bond issued by a surety licensed to do business in this state, in the sum of one thousand dollars, conditioned upon the true and faithful compliance by the distributor with all the provisions of this division and the payment when due of all taxes, penalties and accrued interest arising in the ordinary course of business or by reason of any delinquent money which may be due the state of Iowa. This bond shall be in a form to be fixed by the director and approved by the attorney general. Whenever it is the opinion of the director that the bond given by a licensee is inadequate in amount to fully protect the state, the director shall require either an increase in the amount of said bond or additional bond, in such amount as the director deems sufficient. Any bond required by this division, or a reissue thereof, or a substitute therefor, shall be kept in full force and effect during the entire period covered by the license.

A separate application for license shall be made for each place of business where a distributor proposes to engage in business as such under this division.

5. Each application for a subjobber's license shall be accompanied by a fee of ten dollars, except that no applicant holding a permit pursuant to division I of this chapter shall be required to pay an additional fee.

6. A distributor or subjobber applying for a license between January 1 and June 30 of any year shall be required to pay only one-half of the license fee provided for herein.

7. The director, upon receipt of the application (and bond, in the case of the distributor) in proper form, and payment of the license fee required by subsection 4 or subsection 5, shall unless otherwise provided by this division, issue the applicant a license in form as prescribed by the director, which license shall permit the applicant to whom it is issued to engage in business as a distributor or subjobber at the place of business shown in the application. The director shall assign a permit number to each person licensed as a distributor at the time of issuance of the person's first license, which shall be inscribed upon all licenses issued to that distributor.

8. Each license shall expire on June 30 following its date of issue unless sooner revoked by the director or unless the business with respect to which the license was issued is transferred. In either case the holder of the license shall immediately surrender it to the director.

9. No license shall be transferable to any other person.

10. The director may revoke, cancel, or suspend the license or licenses of any distributor or subjobber for violation of any of the provisions of this division, or any other act applicable to the sale of tobacco products, or any rule or regulations promulgated by the director in furtherance of this division. No license shall be revoked, canceled, or suspended except after notice and a hearing by the director as provided in section 453A.48.

11. No license shall be issued under this division to any person within one year of the date of final determination of a revocation of any previous license held by the person.

12. When the surety upon any bond issued pursuant to the provisions of this division shall have fulfilled the conditions of such bond and compensated the state for any loss occasioned by any act or omission of the person bonded under this division, such surety shall be subrogated to all the rights of the state in connection with the transaction wherein such loss occurred.

453A.45 Licensees, duties.

1. Every distributor shall keep at each licensed place of business complete and accurate records for that place of business, including itemized invoices, of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of tobacco products made, except sales to the ultimate consumer.

When a licensed distributor sells tobacco products exclusively to the ultimate consumer at the address given in the license, an invoice of those sales is not required, but itemized invoices shall be made of all tobacco products transferred to other retail outlets owned or controlled by that licensed distributor. All books, records and other papers and documents required by this subdivision to be kept shall be preserved for a period of at least three years after the date of the documents or the date of the entries appearing in the records, unless the director, in writing, authorized their destruction or disposal at an earlier date. At any time during usual business hours, the director, or the director's duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this subdivision, and the tobacco products contained therein, to determine if all the provisions of this division are being fully complied with. If the director, or any such agent or employee, is denied free access or is hindered or interfered with in making the examination, the license of the distributor at that premises is subject to revocation by the director.

2. Every person who sells tobacco products to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices and discounts. The person shall preserve legible copies of all these invoices for three years from the date of sale.

3. Every retailer and subjobber shall procure itemized invoices of all tobacco products purchased. The invoices shall show the name and address of the seller and the date of purchase. The retailer and subjobber shall preserve a legible copy of each invoice for three years from the date of purchase. Invoices shall be available for inspection by the director or the director's authorized agents or employees at the retailer's or subjobber's place of business.

4. Records of all deliveries or shipments of tobacco products from any public warehouse of first destination in this state which is subject to the provisions of and licensed under chapter 554 shall be kept by the warehouse and be available to the director for inspection. They shall show the name and address of the consignee, the date, the quantity of tobacco products delivered, and such other information as the commissioner may require. These records shall be preserved for three years from the date of delivery of the tobacco products.

5. The transportation of tobacco products into this state by means other than common carrier must be reported to the director within thirty days with the following exceptions:

a. The transportation of not more than fifty cigars, not more than ten ounces of snuff or snuff powder, or not more than one pound of smoking or chewing tobacco or other tobacco products not specifically mentioned herein;

b. Transportation by a person with a place of business outside the state, who is licensed as a distributor under section 453A.44, or tobacco products sold by such person to a retailer in this state.

The report shall be made on forms provided by the director or the director may require by rule that the report be filed by electronic transmission.

Common carriers transporting tobacco products into this state shall file with the director reports of all such shipments other than those which are delivered to public warehouses of first destination in this state which are licensed under the provisions of chapter 554. Such reports shall be filed on or before the tenth day of each month and shall show with respect to deliveries made in the preceding month; the date, point of origin, point of delivery, name of consignee, description and quantity of tobacco products delivered, and such information as the director may otherwise require.

Any person who fails or refuses to transmit to the director the required reports or whoever refuses to permit the examination of the records by the director shall be guilty of a serious misdemeanor.

453A.46 Distributors, monthly returns — interest, penalties.

1. On or before the twentieth day of each calendar month every distributor with a place of business in this state shall file a return with the director showing for the preceding calendar month the quantity and wholesale sales price of each tobacco product brought, or caused to be brought, into this state for sale; made, manufactured, or fabricated in this state for sale in this state; and any other information the director may require. Every licensed distributor outside this state shall in like manner file a return with the director showing for the preceding calendar month the quantity and wholesale sales price of each tobacco product shipped or transported to retailers in this state to be sold by those retailers and any other information the director may require. Returns shall be made upon forms furnished or made available in electronic form and prescribed by the director and shall contain other information as the director may require. Each return shall be accompanied by a remittance for the full tax liability shown on the return, less a discount as fixed by the director not to exceed five percent of the tax. Within three years after the return is filed or within three years after the return became due, whichever is later, the department shall examine it, determine the correct amount of tax, and assess the tax against the taxpayer for any deficiency. The period for examination and determination of the correct amount of tax is unlimited in the case of a false or fraudulent return made with the intent to evade tax, or in the case of a failure to file a return.

The three-year limitation period may be extended by a taxpayer by signing a waiver agreement form provided by the department. The agreement must stipulate the extension period and the tax period to which the extension applies. The agreement must also stipulate that a claim for refund may be filed by the taxpayer at any time during the extension period.

2. All taxes shall be due and payable not later than the twentieth day of the month following the calendar month in which they were incurred, and shall bear interest at the rate in effect under section 421.7 counting each fraction of a month as an entire month, computed from the date the tax was due.

The director may reduce or abate interest when in the director's opinion the facts warrant the reduction or abatement. The exercise of this power shall be subject to the approval of the attorney general.

3. In addition to the tax or additional tax, the taxpayer shall also pay a penalty as provided in section 421.27 and be subject to the civil penalties set forth in sections 421.27; 453A.31, subsection 1, paragraph "b"; and 453A.50, subsection 3, as applicable.

4. The department shall notify any person assessed pursuant to this section by sending a written notice of the determination by mail to the principal place of business of the person as shown on the person's application for permit, and if an application was not filed by the person, to the person's last known address. A determination by the department of the amount of tax, penalty, and interest due, or the amount of refund for excess tax paid, is final, unless the person aggrieved by the determination appeals to the director for a revision of the determination within sixty days from the date of the notice of determination of tax, penalty, and interest or refund owing or unless the taxpayer contests the determination by paying the tax, interest, and penalty and timely filing a claim for refund. The director shall grant a hearing and upon the hearing, the director shall determine the correct tax, penalty, and interest or refund due and notify the appellant of the decision by mail. Judicial review of action of the director may be sought in accordance with chapter 17A and section 422.29.

5. The director may recover the amount of any tax due and unpaid, interest, and any penalty in a civil action. The collection of such a tax, interest, or penalty shall not be a bar to any prosecution under this division.

6. On or before the twentieth day of each calendar month, every consumer who, during the preceding calendar month, has acquired title to or possession of tobacco products for use or storage in this state, upon which tobacco products the tax imposed by section 453A.43 has not been paid, shall file a return with the director showing the quantity of tobacco products so acquired. The return shall be made upon a form furnished and prescribed by the director, and shall contain other information as the director may require. The return shall be accompanied by a remittance for the full unpaid tax liability shown by it. Within three years after the return is filed or within three years after the return became due, whichever is later, the department shall examine it, determine the correct amount of tax, and assess the tax against the taxpayer for any deficiency. The period for examination and determination of the correct amount of tax is unlimited in the case of a false or fraudulent return made with the intent to evade tax, or in the case of a failure to file a return.

7. The director may require by rule that returns be filed by electronic transmission.

Any overpayment of the tax imposed under section 453A.43 may be made to the taxpayer in accordance with regulations prescribed by the director.
