

468.511 Votes determined by assessment.

1. When a petition asking for the right to vote in proportion to assessment of benefits at all elections for any purpose thereafter to be held within said district, signed by a majority of the landowners owning land within said district assessed for benefits, is filed with the board of trustees, then, in all elections of trustees thereafter held within said district, any person whose land is assessed for benefits without regard to age, sex, or condition shall be entitled to one vote for each ten dollars or fraction thereof of the original assessment under the current classification against the land actually owned by the person in said district at the time of the election, but in order to have such ballot counted for more than one vote the voter shall write the voter's name upon the ballot. The vote of any landowner of the district may be cast by absent voters ballot as provided in chapter 53 except that the form of the applications for ballots, the voters' affidavits on the envelopes, and the endorsement of the carrier envelope for preserving the ballot shall be substantially in the form provided in subsections 2, 3, and 4, below. Application blanks, envelopes, and ballots shall be provided by and submitted to the office of the county auditor in which the election is held. The cost of such blanks, envelopes, ballots, and postage shall be paid by the district. For the purpose of this subchapter all landowners of the district shall be considered qualified voters, regardless of their place of residence.
