

508E.3 License requirements.

1. *a.* A person shall not operate as a viatical settlement provider or viatical settlement broker without first obtaining a license from the commissioner of the state of residence of the viator.

b. (1) A life insurance producer who has been duly licensed as a resident insurance producer with a life line of authority in this state or the life insurance producer's home state for at least one year immediately prior to operating as a viatical settlement broker and is licensed as a nonresident producer in this state shall be deemed to meet the licensing requirements of this section and shall be permitted to operate as a viatical settlement broker.

(2) Not later than thirty days from the first day of operating as a viatical settlement broker, the life insurance producer shall notify the commissioner that the life insurance producer is acting as a viatical settlement broker on a form prescribed by the commissioner, and shall pay any applicable fee of up to one hundred dollars as provided by rules adopted by the commissioner. The notification shall include an acknowledgment by the life insurance producer that the life insurance producer will operate as a viatical settlement broker in accordance with this chapter. The notification shall also include proof that the life insurance producer is covered by an errors and omissions policy for an amount of not less than one hundred thousand dollars per occurrence and not less than one hundred thousand dollars total annual aggregate for all claims during the policy period.

(3) The insurer that issued the policy being viaticated shall not be responsible for any act or omission of a viatical settlement broker or viatical settlement provider arising out of or in connection with the viatical settlement transaction, unless the insurer receives compensation for the placement of a viatical settlement contract from the viatical settlement provider or viatical settlement broker in connection with the viatical settlement contract.

c. A person licensed as an attorney, certified public accountant, or financial planner accredited by a nationally recognized accreditation agency who is retained to represent the viator, whose compensation is not paid directly or indirectly by the viatical settlement provider, may negotiate viatical settlement contracts on behalf of the viator without having to obtain a license as a viatical settlement broker.

2. An application for a viatical settlement provider or viatical settlement broker license shall be made to the commissioner by the applicant on a form prescribed by the commissioner, and the application shall be accompanied by a fee of not more than one hundred dollars as provided by rules adopted by the commissioner.

3. The license term shall be three years and the license may be renewed upon payment of the renewal fee of not more than one hundred dollars as provided by rules adopted by the commissioner. A failure to pay the fee by the renewal date results in expiration of the license.

4. An applicant shall provide information on forms required by the commissioner. The commissioner shall have authority, at any time, to require the applicant to fully disclose the identity of all stockholders, partners, officers, members, and employees, and the commissioner may, in the exercise of the commissioner's discretion, refuse to issue a license in the name of a legal entity if not satisfied that any officer, employee, stockholder, partner, or member thereof who may materially influence the applicant's conduct meets the standards of this chapter.

5. A license issued to a legal entity authorizes all partners, officers, members, and designated employees to act as viatical settlement providers or viatical settlement brokers, as applicable, under the license, and all those persons shall be named in the application and any supplements to the application.

6. Upon the filing of an application and the payment of the license fee, the commissioner shall make an investigation of each applicant and issue a license if the commissioner finds that the applicant complies with all of the following:

a. If a viatical settlement provider, has provided a detailed plan of operation.

b. Is competent and trustworthy and intends to act in good faith in the capacity involved by the license applied for.

c. Has a good business reputation and has had experience, training, or education so as to be qualified in the business for which the license is applied for.

d. If a legal entity, provides a certificate of good standing from the state of its domicile.

e. If a viatical settlement provider or viatical settlement broker, has provided an antifraud plan that meets the requirements of section 508E.15, subsection 7.

7. The commissioner shall not issue a license to a nonresident applicant unless a written designation of an agent for service of process is filed and maintained with the commissioner or the applicant has filed with the commissioner the applicant's written irrevocable consent that any action against the applicant may be commenced against the applicant by service of process on the commissioner.

8. A viatical settlement provider or viatical settlement broker shall provide to the commissioner new or revised information about officers, ten-percent-or-more stockholders, partners, directors, members, or designated employees within thirty days of the change.

9. An individual licensed as a viatical settlement broker shall complete on a triennial basis running concurrent with the license term twenty credits of training related to viatical settlements and viatical settlement transactions, as required by the commissioner; provided, however, that a life insurance producer who is operating as a viatical settlement broker pursuant to subsection 1, paragraph "b", shall not be subject to the requirements of this subsection. Any person failing to meet the requirements of this subsection shall be subject to the penalties imposed by the commissioner.

10. Fees collected pursuant to this section shall be deposited as provided in section 505.7. 2000 Acts, ch 1147, §37; 2008 Acts, ch 1155, §3; 2009 Acts, ch 145, §6, 7; 2009 Acts, ch 181, §69
