

536A.4 Limitations.

A license shall not be issued to any individual, partnership, nonprofit organization, or unincorporated association. A license shall not be issued to an applicant that engages in commercial activities directly or through an affiliate. Not more than one place of business where loans are made shall be maintained under the same license but the superintendent may issue more than one license to the same licensee upon compliance, for each such additional license, with all the provisions of this chapter governing an original issuance of a license.
