

607A.19 Jury commissions not required.

In counties utilizing electronic data processing techniques and equipment for the drawing of jurors, ex officio or appointive jury commissions need not be appointed provided that proper records are retained by the jury manager that document, to the court's satisfaction, that the procedures utilized to randomly select the names of the prospective petit and grand jurors meet the requirements of this chapter. The decision to use electronic data processing techniques and equipment in lieu of a jury commission shall be made by the chief judge of the judicial district in which the county is located.
