

**12B.10A Public investment maturity and procedural limitations.**

1. The investment of public funds which are operating funds by a political subdivision shall be subject to the following:

a. As used in this section, “*operating funds*” means those funds which are reasonably expected to be expended during a current budget year or within fifteen months of receipt.

b. Operating funds must be identified and distinguished from all other funds available for investment.

c. Operating funds may only be invested in investments which mature within three hundred ninety-seven days or less and which are authorized by law for the investing public entity.

2. All investments of public funds by political subdivisions shall be subject to the following:

a. Each investment must be authorized by applicable law and the written investment policy of the political subdivision.

b. Each political subdivision whose investments involve the use of a public funds custodial agreement, as defined in section 12B.10C, shall comply with rules adopted pursuant to section 12B.10C relating to those investments. All contracts providing for the investment of public funds shall be in writing and shall contain a provision requiring that all investments shall be made in accordance with the laws of this state.

c. A contract for the investment or deposit of public funds shall not provide for compensation of an agent or fiduciary based upon investment performance.

3. A treasurer of a political subdivision may invest funds of the political subdivision or agency that are not operating funds in investments having maturities longer than three hundred and ninety-seven days.

4. As used in this section, “*public funds*” means all funds that are public funds within the meaning of section 12C.1, subsection 2, paragraph “e”, except state funds invested by the treasurer of state.

5. This section shall not be construed to supersede any provision of this chapter or of chapter 12C.
