

142A.3 Tobacco use prevention and control — division — commission — created.

1. The department shall establish, as a separate and distinct division within the department, a division of tobacco use prevention and control. The division shall develop, implement, and administer the initiative established in this chapter and shall perform other duties as directed by this chapter or as assigned by the director of public health.

2. A commission on tobacco use prevention and control is established to develop policy, provide direction for the initiative, and perform all other duties related to the initiative and other tobacco use prevention and control activities as directed by this chapter or referred to the commission by the director of public health.

3. The membership of the commission shall include the following voting members who shall serve three-year, staggered terms:

a. Members, at least one of whom is a member of a racial minority, to be appointed by the governor, subject to confirmation by the senate pursuant to sections 2.32 and 69.19, and consisting of the following:

(1) Three members who are active with nonprofit health organizations that emphasize tobacco use prevention or who are active as health services providers, at the local level.

(2) Three members who are active with health promotion activities at the local level in youth education, nonprofit services, or other activities relating to tobacco use prevention and control.

b. Three voting members, to be selected by the participants in the annual statewide youth summit of the initiative's youth program, who shall not be subject to section 69.16 or 69.16A. However, the selection process shall provide for diversity among the members and at least one of the youth members shall be a female.

4. The commission shall also include the following ex officio, nonvoting members:

a. Four members of the general assembly, with not more than one member from each chamber being from the same political party. The majority leader of the senate and the minority leader of the senate shall each appoint one of the senate members. The majority leader of the house of representatives and the minority leader of the house of representatives shall each appoint one of the house members.

b. The presiding officer of the statewide youth executive body, selected by the delegates to the statewide youth summit.

5. In addition to the members of the commission, the following agencies, organizations, and persons shall each assign a single liaison to the commission to provide assistance to the commission in the discharge of the commission's duties:

a. The department of education.

b. The drug policy coordinator.

c. The department of justice, office of the attorney general.

d. The department of human services.

6. Citizen members shall be reimbursed for actual and necessary expenses incurred in performance of their duties. Citizen members shall be paid a per diem as specified in section 7E.6. Legislative members are eligible for per diem and expenses as provided in section 2.10.

7. A member of the commission who is convicted of a crime relating to tobacco, alcohol, or controlled substances is subject to removal from the commission.

8. A vacancy on the commission other than for the youth members shall be filled in the same manner as the original appointment for the balance of the unexpired term. A youth member vacancy shall be filled by the presiding officer of the statewide executive body as selected by the delegates to the statewide youth summit.

9. The commission shall elect a chairperson from among its voting members and may select other officers from among its voting members, as determined necessary by the commission. The commission shall meet regularly as determined by the commission, upon the call of the chairperson, or upon the call of a majority of the voting members.

10. The commission may designate an advisory council. The commission shall determine the membership and representation of the advisory council and members of the council shall serve at the pleasure of the commission. The advisory council may include representatives

of health care provider groups, parent groups, antitobacco advocacy programs and organizations, tobacco retailers, research and evaluation experts, and youth organizers.
