

147.25 System of health personnel statistics — fee.

1. A board may establish a system to collect, maintain, and disseminate health personnel statistical data regarding board licensees, including but not limited to number of licensees, employment status, location of practice or place of employment, areas of professional specialization and ages of licensees, and other pertinent information bearing on the availability of trained and licensed personnel to provide services in this state.

2. In addition to any other fee provided by law, a fee may be set by the respective boards for each license and renewal of a license to practice a profession, which fee shall be based on the annual cost of collecting information for use by the board in the administration of the system of health personnel statistics established by this section. The fee shall be retained by the respective board in the manner in which license and renewal fees are retained in section 147.82.
